

APHASIA THERAPY FINDER

aphasiatherapyfinder.com

Speech Language Pathologists told us

It can be hard to keep up with developments in aphasia therapy. It can be hard to find and access the resources required to implement evidence-based aphasia therapies into clinical practice.

25
Evidence-based aphasia therapies

Searchable database

Includes high-quality therapy resources & videos

Over 60 researchers helped us

Therapy profiles contain detailed descriptions of the evidence supporting each therapy including step-by-step instructions, instructional videos, and links to high-quality therapy resources.

An invaluable tool for anyone working with people with aphasia

Free registration

The Aphasia Therapy Finder was developed by a working group of the Collaboration of Aphasia Triallists with funding from the Tavistock Trust for Aphasia
